

Sunfish Children's Theatre

May 2017

Hello and Greetings from SunFish Children's Theatre.

This Fall, SunFish Children's Theatre will be presenting our very first annual Children's Theatre Festival, Saturday, September 16, 10AM -1PM at Music Park, Harbor Town. Over the past four years, SunFish Children's Theatre has presented theatre programs throughout our community in a dozen schools, reaching hundreds of students annually. The purpose of Sunfish is to offer exceptional theatre education to ALL students in our community, no matter their ability, experience, age, or ability to pay.

I am writing to ask for your partnership in this very first SunFish Children's Theatre Festival on Mud Island, reaching into families and students throughout Memphis and Downtown. This Children's Theatre Festival is for the entire Memphis community!

Will you partner with us as a community sponsor? We are proud to feature Southern College of Optometry as one of our Main Stage Festival Sponsors. We have one mainstage sponsor level remaining, along with several other levels.

Proceeds from the annual SunFish Children's Theatre Festival will go toward the fabulous programs we offer throughout the year as we provide public and private school theatre classes, DramaDays events, summer camps, and more.

Thanks for considering this valuable event. I look forward to hearing from you.
